1. Purpose, Scope and Legal Basis

1.1 Purpose

This Volume defines the standardised framework governing financial management within the SADC Humanitarian and Emergency Operations Centre (SHOC). It covers emergency fund allocation and budgeting (SOP 1.1), financial reporting and documentation (SOP 1.2), financial expenditure management (SOP 1.3), and internal controls and audit (SOP 1.4). The four SOPs operate as an integrated financial lifecycle, structured per the UNDAC Mission Cycle phases: Preparedness, Alert, Activation and Mobilisation, Operations, and Demobilisation and Transition.

1.2 Scope and Applicability

This SOP applies to all SHOC staff involved in financial management (positions 1–23), SADC Secretariat Finance and Administration, deployed ERT Finance Officers, Member State NDMA Finance Focal Points, and International Cooperating Partners (ICPs) engaged in SHOC financial operations.

1.3 Legal and Institutional Basis

Primary Instruments: SADC Treaty (1992) Articles 5 & 26; SHOC Establishment Directive (2019); SHOC Intergovernmental MOA (2022); SADC Financial Regulations (2024); SADC Financial Manual (2026); Host Country Agreement.

Reference Frameworks: UNDAC Handbook 8th Ed. (2024); IFRC Surge Toolbox (2024); ASEAN AHA Centre Finance Manual (2022); Sendai Framework Priority 4; ISO 22301:2019 (Clauses 8.4, 9.2); IPSAS; applicable National Treasury and PFMA standards of SADC Member States.

1.4 Guiding Principles

a) Humanity, Impartiality, Neutrality, Independence

b) Accountability, Transparency, and Ethical Governance

c) Localisation (≥20% allocation to local actors)

d) Do No Harm and Gender Responsiveness

e) Segregation of Duties and Dual Authorisation

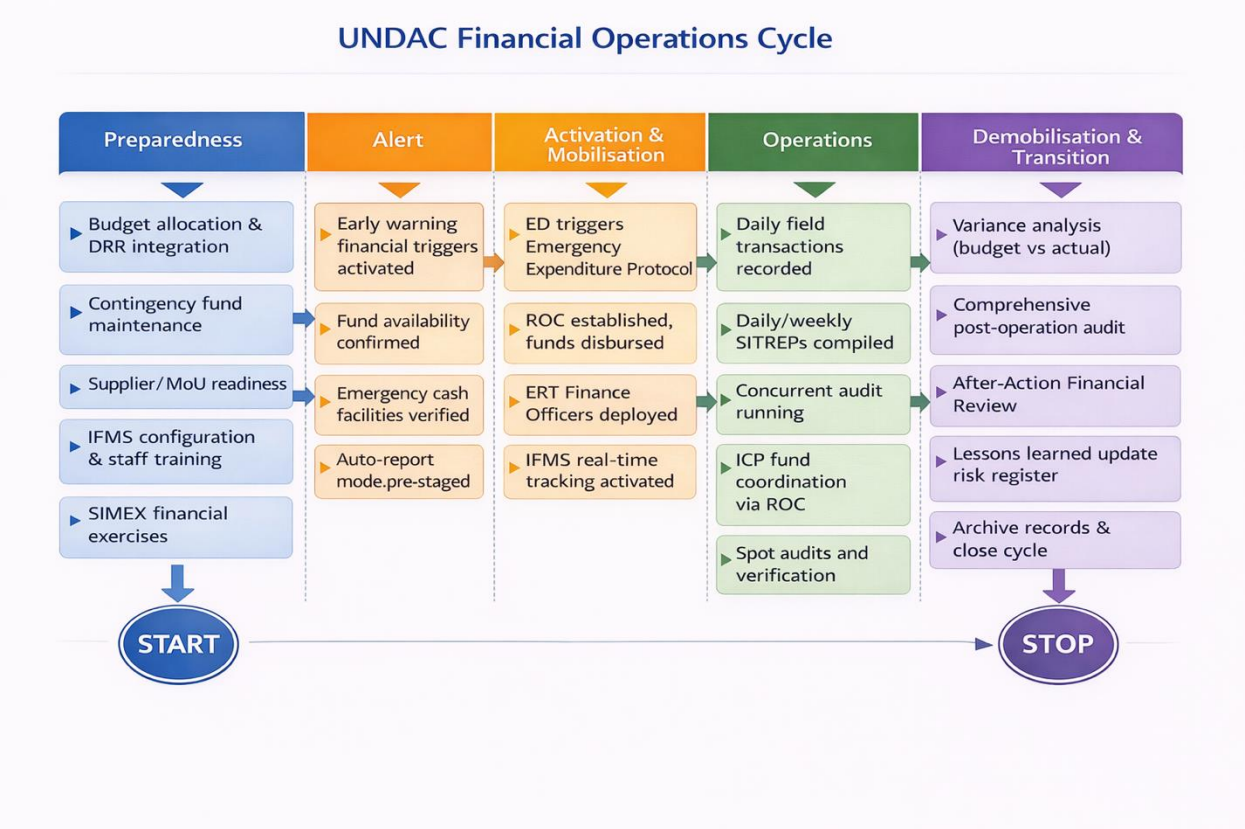
f) Risk-Based Auditing (BGYOR framework)

g) Digital Auditability via IFMS and ISO 27001 Data Integrity

h) Continuous Learning and Adaptation from After-Action Reviews

2. Emergency Response Operational Cycle for Finance

All four SOPs in this set are structured per the Emergency Response Mission Cycle (UNDAC Handbook 8th Edition, 2024, Chapter C), adapted for SHOC financial operations. Each phase has defined financial triggers, actions, and outputs.



Phase Summary

Phase	Finance Objective	Key Actions	Key Outputs
Preparedness	Maintain readiness, compliance, BCM resilience	Budget tracking, MoU maintenance, IFMS templates, training, SIMEX	Annual Budget, Cash Facility Register, Training Records
Alert	Prepare for possible activation; pre-clear procurement	Fund readiness checks, early forecasts, auto-report staging	EW Finance Trigger Reports, Pre-clearance Records
Activation & Mobilisation	Rapid fund disbursement (≤48 hrs)	Activate EEP/ROC, deploy ERT Finance, emergency drawdowns, IFMS tracking	EEP Activation Notice, Disbursement Records, Transaction Logs
Operations	Support response through real-time financial oversight	Daily SITREPs, emergency procurement, concurrent audits, ICP coordination	Financial SITREPs, Weekly Reports, Audit Feed Reports
Demobilisation & Transition	Accountability, evaluation, closure	Variance analysis, AAR, comprehensive audit, SOP revisions, archiving	Audit Findings Report, Corrective Action Log, Updated Risk Register

3. Governance, Roles and RACI Matrix

3.1 Governance Layers

Regional: Committee of Ministers; SHOC Governing Board (financial approvals >USD 250,000)

Secretariat: SHOC Executive Director; Head of Programmes; Finance and Administration Unit

Operational: ERT Finance Officers; Resource Mobilisation Operations Centre (ROC)

National: NDMA Finance Focal Points

Audit: SADC Internal Audit Unit; External Auditors; SADC Audit Committee

3.2 Consolidated RACI Matrix (All SOPs)

R=Responsible, A=Accountable, C=Consulted, I=Informed, S=Supporting

Function	R	A	C	I	S
Budget & DRR integration (1.1)	Finance Council	ED	MS Ministries, ICPs	GB, HR, SCM	ERT, ICT
Contingency fund management (1.1)	Finance Council	HoP	EW Cells, SCM	GB, HR	ERT

4. SOP 1.1: Emergency Fund Allocation, Planning and Budgeting

Purpose: Enable rapid, accountable mobilisation of emergency funds; ensure transparent budgeting and traceable workflows from activation to audit; integrate financial planning with early warning data.

4.1 Preparedness

#	Action	Responsible	Output	Threshold	Annex Ref
1.1	Integrate DRR and emergency finance into annual budgets	Finance Council & MS Finance Focal Points	Annual SHOC Preparedness Budget	≤30 days	—
1.2	Establish MoUs with ICPs, banks, partners for fund availability	Finance & Admin / SADC Finance	Signed MoU agreements	≤45 days	SOP 1-AT
1.3	Maintain contingency fund; update Forecast Register quarterly	Finance Council	Quarterly Forecast Register	≤60 days	SOP 1-F, 1-I
1.4	Link financial readiness to EW triggers (SADC CSC, myDEWETRA)	Finance & EW Cells	EW Finance Trigger Matrix	≤30 days	—
1.5	Conduct annual SIMEX for fund activation scenarios	Finance & Admin + ERT Finance	SIMEX Report	≤90 days	—

4.2 Alert

Upon EW threshold exceedance, Finance Council confirms fund availability from SADC Fund, ICPs, Member States, and private sector sources. Emergency procurement pathways are pre-cleared. ERT Finance Officers are briefed on potential deployment.

4.3 Activation and Mobilisation

#	Action	Responsible	Output	Threshold	Annex Ref
2.1	Trigger activation upon ED formal declaration	ED	Activation Notice	≤12 hrs	—
2.2	Establish Resource Mobilisation Operations Centre (ROC)	Finance Council & Audit	ROC Log	≤24 hrs	—
2.3	Confirm funding sources	Finance Council	Funding Summary	≤6 hrs	SOP 1-F
2.4	Approve fund drawdown with dual signatories	HoP	Disbursement Authorisation	≤3 hrs	SOP 1-G
2.5	Notify ERT Finance Officers and Member States	Finance & Admin / Comms	Notification Circular	≤2 hrs	—
2.6	Activate IFMS real-time tracking	ICT & Finance	IFMS Dashboard Active	≤4 hrs	—

4.4 Operations

#	Action	Responsible	Output	Threshold	Annex Ref
3.1	Deploy Finance Officers with ERTs to affected MS	Finance & Admin + ERT Coordinator	Deployment Orders	≤12 hrs	—

3.2	Process emergency procurement under EEP waivers	Finance & Procurement Officers	Procurement Checklist	≤6 hrs	SOP 1-B
3.3	Record all transactions in IFMS within 24 hours	Field Finance Officers	IFMS Transaction Logs	≤24 hrs	—
3.4	Conduct field-level spot audits	SADC Internal Audit	Audit Summary Report	≤48 hrs	SOP 1-E
3.5	Coordinate ICP funds and pledges through ROC	Finance Council	Resource Tracker Update	≤48 hrs	—

4.5 Demobilisation and Transition

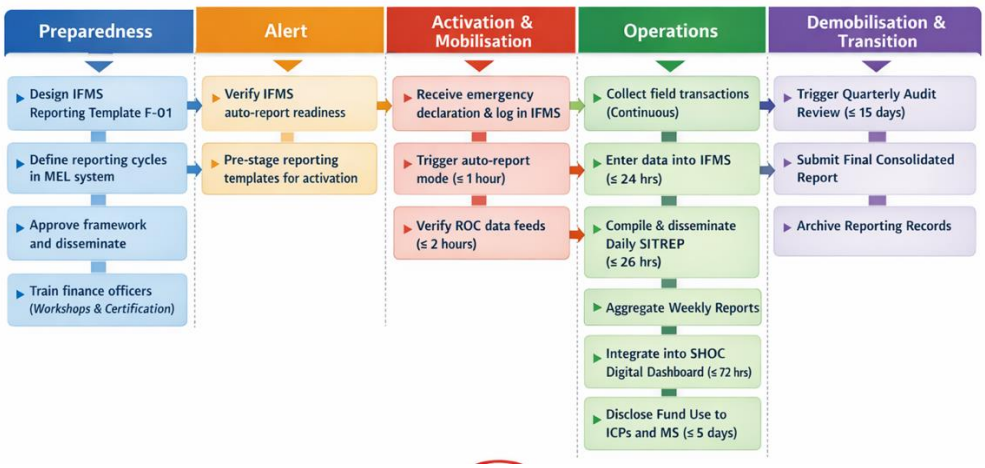
#	Action	Responsible	Output	Threshold	Annex Ref
5.1	Conduct variance analysis (budget vs actual)	Finance Analysis Team	Variance Report	≤10 days	—
5.2	Submit After-Action Financial Review (AAR)	Finance Council & Audit	AAR Report	≤30 days	—
5.3	Document lessons learned; update financial risk register	Audit & Risk Directorate	Updated Risk Register	≤45 days	SOP 1-D
5.4	Recommend SOP or policy revisions	HoP	Policy Update Memo	≤60 days	—
5.5	Archive records and close activation cycle	Finance & Admin	Closed SOP 1.1 File	≤90 days	—

5. SOP 1.2: Financial Reporting and Documentation

Purpose: Ensure real-time visibility of funds via IFMS dashboards; maintain auditable documentation for ICPs and auditors; integrate MEL-driven lessons into reporting cycles. This SOP activates upon fund mobilisation under SOP 1.1 and provides the reporting backbone for expenditure tracking under SOP 1.3.

Linked Annexes: SOP 1-C (ATD-01: Audit Trail & Reporting Standards)

SOP 1.2: Financial Reporting Lifecycle



5.1 Preparedness

#	Action	Responsible	Output	Threshold	Annex Ref
1.1	Design IFMS Reporting Template F-01 (expenditure, commitments, variance)	Finance Systems Analyst	Approved Template F-01	Q4	—
1.2	Define reporting cycles linked to EW triggers in MEL system	MEL Officer	Automated MEL Calendar	Q4	—
1.3	Approve reporting framework and disseminate	Dir. Finance	Framework Circular	≤10 days	SOP 1-C
2.1	Conduct induction workshops for finance/audit staff	Training Coordinator	Staff Trained Certificate	≤2 weeks	—
2.2	Assess competence and certify	Audit Training Officer	Competency Report	7 days post-training	—

5.2 Activation and Mobilisation

#	Action	Responsible	Output	Threshold	Annex Ref
3.1	Receive emergency declaration; log activation in IFMS	ED	IFMS Activation Log	Immediate	—
3.2	Trigger auto-report mode in IFMS	Finance Systems Admin	Auto-reporting initiated	≤1 hour	—
3.3	Verify ROC data feeds and cross-check IFMS integration	ICT Officer	Data Feed Confirmation	≤2 hours	—

5.3 Operations

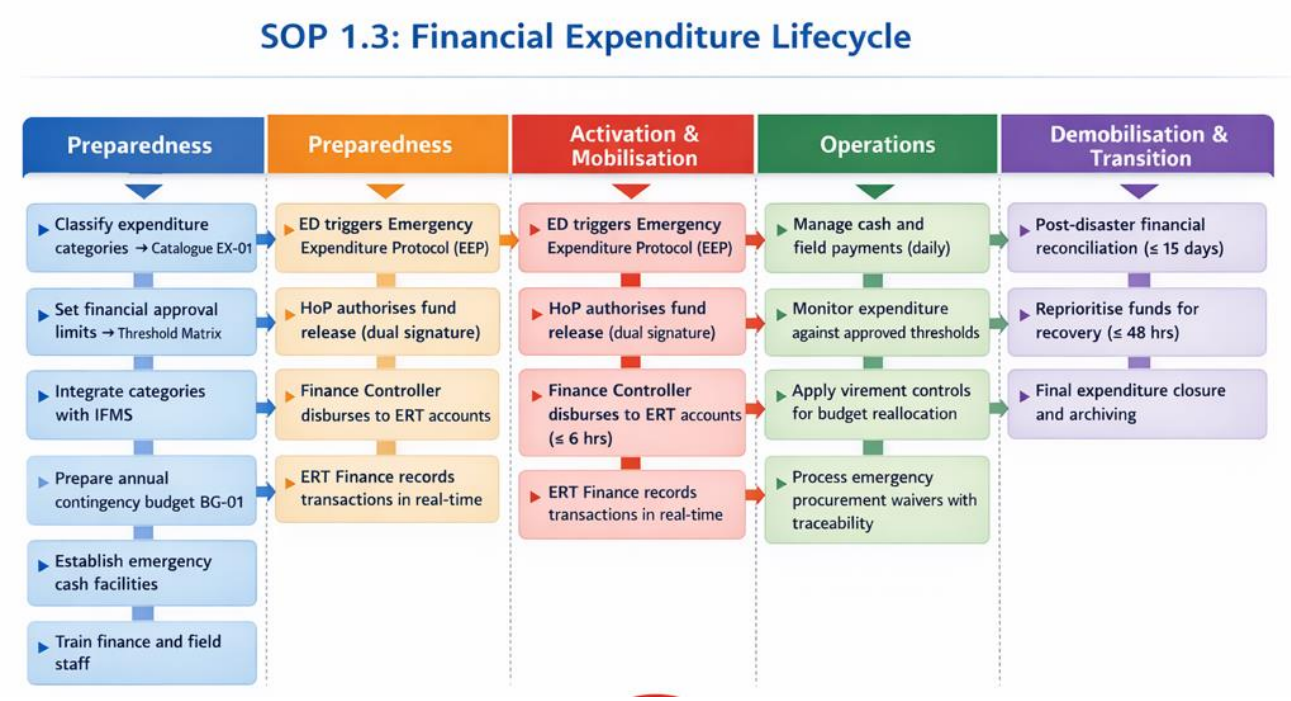
#	Action	Responsible	Output	Threshold	Annex Ref
4.1	Collect verified field transactions	ERT Finance Officers	Daily Transaction Bundle	Continuous	—
4.2	Enter data into IFMS with auto-sync to ROC	Field Finance Officer	Updated Financial Dashboard	≤24 hrs	—
4.3	Compile and disseminate daily financial SITREP	Finance & Admin Officer	Daily Financial SITREP	≤26 hrs	—
5.1	Aggregate daily SITREPs into weekly summary	Finance Analyst	Weekly Financial Summary	Every 7 days	—
5.2	Validate, approve, and submit to Finance Council	HoP / Finance Council	Council-endorsed Report	≤8 days	—

5.4 Demobilisation and Transition

Trigger quarterly audit review (≤15 days). Integrate reports into SHOC Digital Dashboard. Disclose fund use to ICPs and Member States (≤5 days). Archive all reporting records per Records Management procedures (Section 10).

6. SOP 1.3: Financial Expenditure

Purpose: Regulate authorised disbursement across all disaster phases; ensure expenditure efficiency and humanitarian alignment; provide clear approval thresholds and financial triggers via IFMS. This SOP operationalises the funds mobilised under SOP 1.1 and feeds data to SOP 1.2 for reporting.



6.1 Financial Approval Limits

Amount (USD)	Approving Authority	Documentation Required
≤5,000	ERT Finance Officer	Single signature + receipts
5,001–25,000	Head of Programmes	Dual signatures + Purchase Order
25,001–100,000	Executive Director	Dual signatures + Board note
100,001–250,000	ED + Chair	Full documentation package
>250,000	SHOC Governing Board	Board resolution required

Note: Emergency thresholds apply during Operations phase with post-facto approval and full audit trail.

6.2 Preparedness

#	Action	Responsible	Output	Threshold	Annex Ref
1.1	Classify expenditure categories into SHOC Expenditure Catalogue EX-01	Finance Policy Officer	Catalogue EX-01	Q4	SOP 1-Y
1.2	Set financial approval limits via Threshold Matrix	HoP	Threshold Matrix	≤15 days	SOP 1-Z

1.3	Configure IFMS with approved categories and thresholds	Finance Systems Analyst	IFMS Config Report	≤10 days	—
2.1	Prepare annual contingency budget BG-01	Finance & Admin Officer	Budget BG-01	Annually Q4	SOP 1-H
2.2	Establish emergency cash facilities (imprest, mobile money)	Programme Officer – Response	Cash Facility Register	Bi-annual review	—
2.3	Train finance and field staff on expenditure procedures	Training Coordinator	Training Report	≥2 weeks pre-SIMEX	—

6.3 Activation and Mobilisation

#	Action	Responsible	Output	Threshold	Annex Ref
3.1	ED triggers EEP; HoP authorises fund release	ED / HoP	EEP Activation Notice	Immediate	—
3.2	Disburse funds to ERT field accounts and cash facilities	Finance Controller	Transaction Confirmation	≤6 hrs	SOP 1-F
3.3	ERT Finance records transactions in real-time via mobile IFMS	ERT Finance Officer	Live Financial Dashboard	Continuous	—

6.4 Operations

Manage cash and field payments daily. Monitor expenditure against approved thresholds continuously. Apply virement controls (movement of funds between KRAs requires Accounting Officer approval). Process emergency procurement waivers with full traceability per SOP 1.4 audit controls. All field transactions synchronised with IFMS within 24 hours.

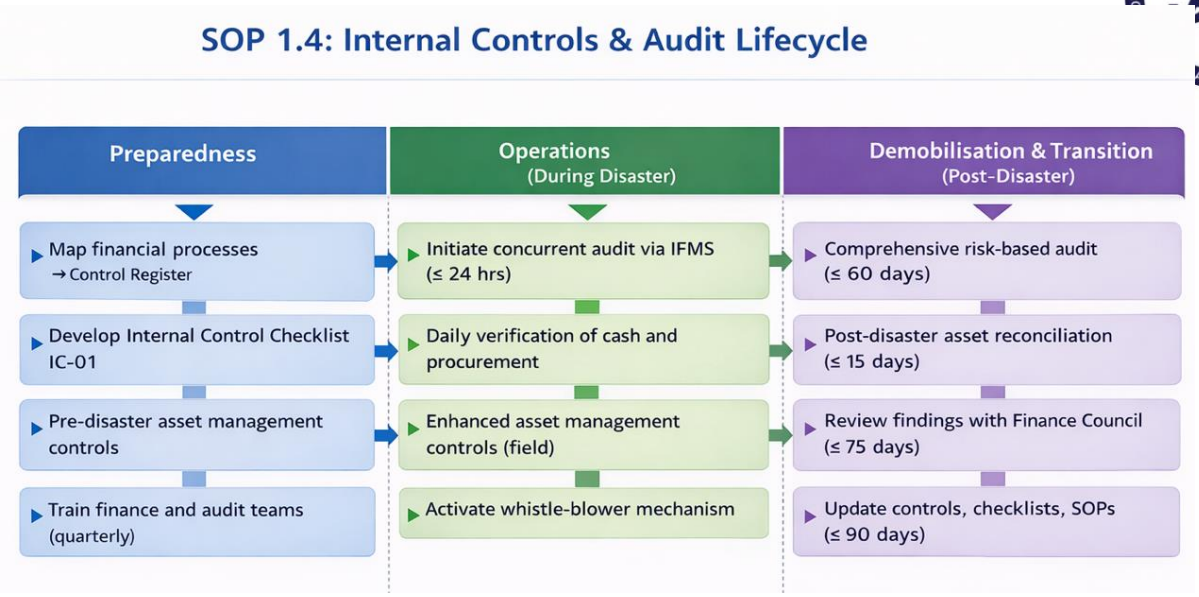
6.5 Demobilisation and Transition

#	Action	Responsible	Output	Threshold	Annex Ref
6.1	Post-disaster financial reconciliation	Finance Analysis Team	Reconciliation Report	≤15 days	SOP 1-AH
6.2	Reprioritise funds for recovery activities	Finance & Admin	Recovery Fund Allocation	≤48 hrs	—
6.3	Final expenditure closure, archive all records	Finance & Admin	Closed Expenditure File	≤90 days	SOP 1-AJ

7. SOP 1.4: Internal Controls and Audit

Purpose: Establish preventive and detective internal controls; ensure compliance with SADC Financial Regulations, IPSAS, and ISO 22301; safeguard Member State and ICP confidence; promote ethical, transparent financial governance. This SOP provides the assurance framework for SOPs 1.1–1.3.

Linked Annexes: SOP 1-A (FCM-01: Financial Control Matrix), SOP 1-D (FRA-01: Risk Assessment), SOP 1-E (IAC-01: Internal Audit Procedures)



7.1 Preparedness

#	Action	Responsible	Output	Threshold	Annex Ref
1.1	Map financial processes and approval flows in IFMS	Finance Policy Officer	Process Control Register	≤15 days post-Q1	SOP 1-AK
1.2	Develop Internal Control Checklist IC-01 (SADC/ISO aligned)	Audit Systems Officer	Checklist IC-01	≤20 days after 1.1	SOP 1-AL
1.3	Pre-disaster asset management: monthly register update, quarterly audits, tagging, stockpile verification	Finance/SCM/ICT/Audit	Verified Asset Register	Monthly/Quarterly	—
1.4	Train finance and audit teams (controls, fraud detection, SIMEX)	Training Coordinator	Training Report	Quarterly	—

7.2 Operations (During Disaster)

#	Action	Responsible	Output	Threshold	Annex Ref
2.1	Initiate concurrent audit: activate IFMS audit dashboard, monitor live transactions	Internal Audit Manager	Live Audit Feed Report	≤24 hrs post-EEP	SOP 1-AN
2.2	Daily verification of cash and procurement transactions against thresholds	Field Auditor / HoP	Field Verification Log	Daily	SOP 1-AO

2.3	Enhanced field asset controls: deployment logging, daily reconciliation, spot audits	ERT Logistics/Finance/Audit	Field Asset Reports	Daily	—
2.4	Activate whistle-blower mechanism (hotline + digital portal)	Audit Compliance Officer	Incident Register AU-02	Continuous	—

7.3 Demobilisation and Transition (Post-Disaster)

#	Action	Responsible	Output	Threshold	Annex Ref
3.1	Comprehensive risk-based audit of all operation transactions	Internal Audit Manager	Audit Findings Report	≤60 days post-closure	SOP 1-AQ
3.2	Post-disaster asset reconciliation: receive, inspect, reconcile all returned assets	SCM/Finance/Audit/ERT	Reconciliation Statement	≤15 days post-demob	—
3.3	Review findings with Finance Council; agree corrective actions	HoP / Audit Chair	Corrective Action Log	≤75 days	—
3.4	Update control matrices, checklists, and SOPs based on lessons learned	Audit Systems Officer	Updated Matrix IC-02	≤90 days	SOP 1-AS

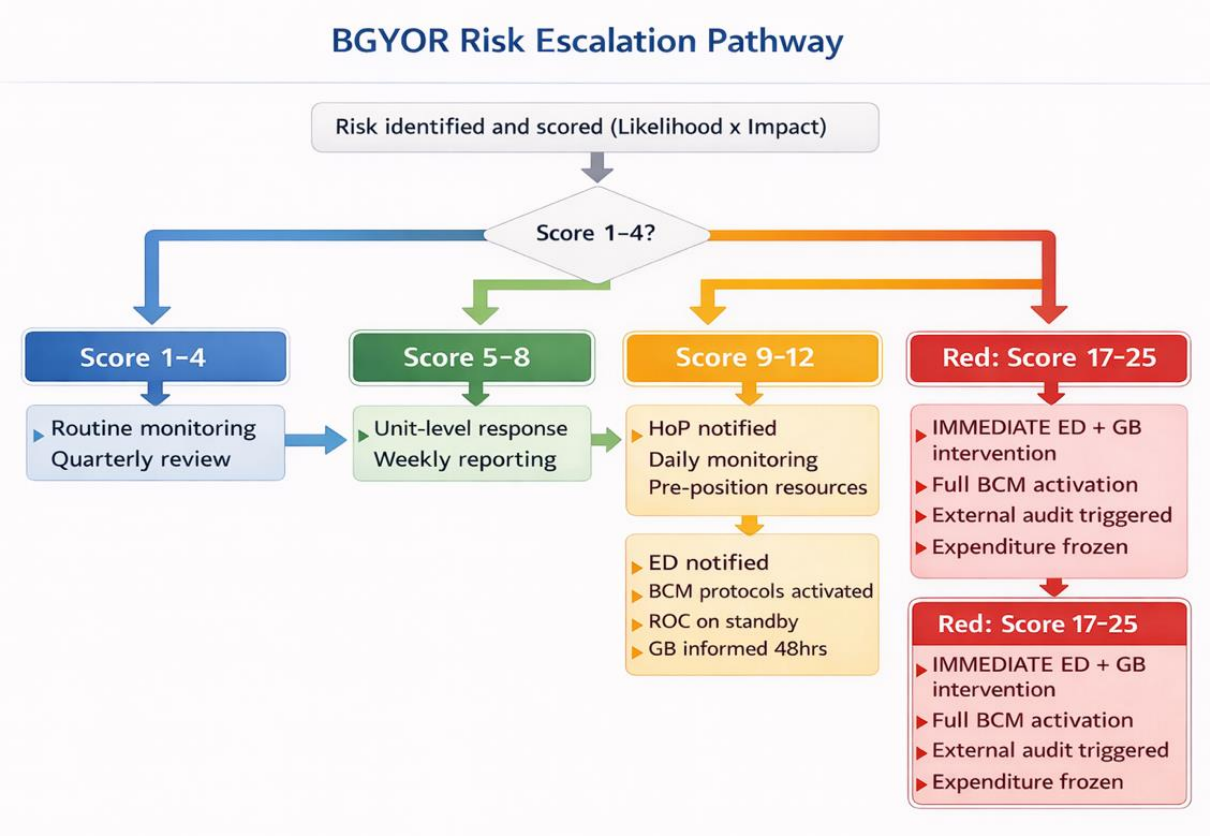
8. Common BGYOR Risk Matrix

This single risk matrix applies across all four SOPs. Risk assessment follows a 5×5 likelihood–impact model with colour-coded severity levels. Each risk category maps to predefined action thresholds and escalation pathways.

Level	Colour	Score	Meaning	Action Threshold
B	**Blue**	1–4	Negligible risk; routine operations	Standard monitoring; no escalation. Log and review quarterly.
G	**Green**	5–8	Low risk; minor impact manageable within unit	Unit-level response. Finance Officer monitors. Report in weekly summary.
Y	**Yellow**	9–12	Moderate risk; requires active management	HoP notified. Activate enhanced monitoring. Daily reporting initiated. Pre-position corrective resources.
O	**Amber**	13–16	High risk; significant operational/financial impact	ED notified. Activate BCM protocols. ROC placed on standby. Governing Board informed within 48 hours.

R	**Red**	17–25	Critical risk; existential threat to financial integrity	Immediate ED and GB intervention. Full BCM activation. External audit triggered. All expenditure frozen pending review.

Key Financial Risk Categories: Procurement delay; supplier failure; budget overrun; fund misallocation; IFMS system failure; ICP pledge shortfall; audit non-compliance; asset loss/diversion; exchange rate volatility; cash facility compromise.



9. Cross-Cutting SOP Integration

This single table replaces all per-step cross-cutting touchpoint columns. It defines the mandatory integration points between Volume 1 Finance SOPs and other SHOC SOP Volumes.

SOP Volume	Reference	Integration with Finance	Key Interface Actions
Vol 2: Early Warning & Monitoring	SOP 2.1–2.4	EW triggers inform financial readiness, budget scaling, and reporting cycles	EW threshold → Finance readiness check; hazard data → budget adjustment; CSC forecasts → contingency planning
Vol 3: ICT & Emergency Telecoms	SOP 3.1–3.3	Telecom infrastructure supports IFMS connectivity, ROC data feeds, and report distribution	IFMS online/offline sync; ROC dashboard feeds; secure report transmission; emergency comms for financial approvals
Vol 4: Emergency	SOP 4.1–4.5	ERT deployment triggers financial mobilisation; field	Portal Step 4 → EEP activation; ERT Finance deployment; daily

Response Teams		finance integrates with ERT operations	logistics/finance briefing; asset reconciliation at demobilisation
Vol 5: Supply Chain Management	SOP 8.1–8.5	Procurement alignment, emergency procurement funding, asset management controls	EPF funding for emergency procurement; procurement approval thresholds; asset register reconciliation; stockpile valuation
HR & Administration	SOP 5.1–5.6	Staff deployment costs, payroll, welfare funding, training budgets	HR mobilisation costs → budget allocation; staff per diem/deployment tracking; training expenditure monitoring

10. Monitoring, Records and Training

10.1 Monitoring and Evaluation

Key Performance Indicators: ≥90% of SHOC Finance staff trained annually; ≥80% of ERT Finance Officers participating in SIMEX; ≥85% improvement in audit compliance post-training; 100% integration of AAR findings into next training cycle. Evaluation outcomes are presented in the Quarterly Audit and M&E Review and archived in the SHOC Knowledge Repository.

10.2 Records Classification and Retention

Category	Examples	Retention	Storage	Access
Financial Records	Fund allocation, payment vouchers, bank confirmations, audit reports	10 years	IFMS / Finance Server	Restricted – Finance & Audit
Operational Records	Activation orders, deployment logs, ROC minutes, procurement checklists	7 years	Operations Repository	Controlled – Operations & ERT
Communication Logs	Emails, chat transcripts, SITREPs, tele-conference minutes	5 years	Secure Mail Archive	Confidential – Authorised users
M&E / Evaluation	AARs, Post-Operation Evaluations, Knowledge Products	Permanent	Knowledge Repository	Public summary / Internal full
Training / SOP Revisions	Updated SOPs, SIMEX reports, training materials	Current + 3 yrs	SHOC Learning Portal	Internal – M&E and ARC

All records stored in SHOC Secure Cloud Environment integrated with IFMS. AES-256 encryption at rest and in transit. Daily incremental and weekly full backups. Any modification or deletion requires dual authorisation (HoP + ICT Officer).

10.3 Training and Capacity Building

Training Type	Frequency	Focus Areas	Lead	Output
Induction	On appointment	SHOC structure, IFMS, financial protocols, audit controls	Finance & Admin / ARC	Certificate of Induction
SIMEX	Bi-annually	Real-time financial mobilisation, ROC activation, fund tracking	Resilience Academy + UNDAC	SIMEX Evaluation Report
Joint Drills	Annually	Cross-sector Finance–Operations–ICT coordination	SADC Secretariat / NDMAs	Joint Readiness Scorecard
Refresher	Every 12 months	Audit compliance, financial ethics, ICP reporting	Finance & Audit Units	Refresher Certificate
e-Learning	Continuous	IFMS, accountability, risk management	ARC e-Learning Platform	Digital Learning Record

11. Terms and Abbreviations

Consolidated table of all terms, abbreviations, and definitions used across SOPs 1.1–1.4.

Abbreviation	Full Term / Meaning
AAR	After-Action Review
ARC	Academy of Resilience and Continuity
BCM	Business Continuity Management
BGYOR	Blue, Green, Yellow, Orange (Amber), Red – Risk rating framework
CSC	SADC Climate Services Centre
DRR	Disaster Risk Reduction
ED	Executive Director (SHOC)
EEP	Emergency Expenditure Protocol
ERT	Emergency Response Team
EW	Early Warning
GB	Governing Board
HoP	Head of Programmes
ICP	International Cooperating Partner
IFMS	Integrated Financial Management System
IPSAS	International Public Sector Accounting Standards
ISO	International Organization for Standardization
KPI	Key Performance Indicator

KRA	Key Result Area
MEL	Monitoring, Evaluation and Learning
MOA	Memorandum of Agreement
MoU	Memorandum of Understanding
MS	Member State(s)
NDMA	National Disaster Management Authority
OCHA	Office for the Coordination of Humanitarian Affairs
PFMA	Public Finance Management Act
RACI(S)	Responsible, Accountable, Consulted, Informed, (Supporting)
ROC	Resource Mobilisation Operations Centre – temporary hub for centralised financial coordination during emergencies
SADC	Southern African Development Community
SCM	Supply Chain Management
SHOC	SADC Humanitarian and Emergency Operations Centre
SIMEX	Simulation Exercise
SOP	Standard Operating Procedure
UNDAC	United Nations Disaster Assessment and Coordination
Virement	Movement of funds between one KRA to another within the same budget vote, requiring approval of the Accounting Officer
