1. Introduction

This consolidated compendium contains the six Standard Operating Procedures governing Human Resources and Administration within the SADC Humanitarian and Emergency Operations Centre (SHOC). It has been streamlined to eliminate duplication across SOPs, align terminology with the UNDAC 8th Edition (2024) mission cycle, and provide a single authoritative reference for HR practitioners and emergency response personnel across the 16 SADC Member States.

1.1 Purpose

To establish harmonised, audit-compliant systems for staff recruitment, welfare, psychosocial support, learning, performance management, and general administration—ensuring rapid, transparent, and effective HR operations before, during, and after disasters.

1.2 Scope

These SOPs apply to all SHOC Secretariat staff (23 positions), ERT surge personnel, NDMA secondees, partner staff (IFRC, WFP, IOM, WHO, UNHCR), and registered volunteers. They are operative across the full ERT operational cycle from Preparedness through Post-Mission.

1.3 Legal Framework

Mandate	Relevance
SHOC MOA (2021) Art. 4–8	SHOC staffing authority; capacity building; governance; Member State HR cooperation
SADC HR Manual (2018)	Recruitment; welfare; training; performance; conditions of service
SADC DRMSS 2025–2030	Disaster workforce capacity building and surge requirements
IFRC Surge Toolbox (2024)	Rapid deployment HR; roster management; duty of care
UNDAC Handbook 8th Ed. (2024)	Mission cycle; team composition; deployment logistics; field admin
AUC-DREA Framework (2024)	Continental humanitarian workforce standards; interoperability
WHO Staff Health (2023)	Occupational health; medical evacuation; MHPSS guidelines
ISO 15489 / ISO 22301	Records management; business continuity

1.4 Guiding Principles

Principle	Application
Equity & Transparency	Merit-based recruitment; gender balance (≥45% female); regional representation across 16 Member States
Rapid Deployment	Expedited processes within 72 hours while maintaining audit integrity
Duty of Care	Staff welfare precedes mobilisation—medical clearance, insurance, MHPSS readiness required before deployment
Interoperability	Alignment with AUC-DREA, IFRC Surge, UNDAC, EU UCPM, AHA Centre protocols

Principle	Application
Continuous Learning	Post-deployment reviews feed into roster improvements, training, and policy updates
Confidentiality	Medical, psychological, and performance information protected; need-to-know access
Accountability	All decisions documented, auditable, and compliant with SADC governance standards

2. ERT Operational Cycle

All HR actions in this compendium are mapped to the ERT Operational Cycle, aligned with the three-phase mission cycle. The cycle uses plain-language phase descriptors to ensure clarity for all users.

Cycle Phase	Alignment	HR Focus	Timeframe
Preparedness	Pre-Mission (Be Aware)	Roster building; competency verification; training; medical screening; welfare kits	Continuous
Alert	Pre-Mission (M1 Alert)	Roster verification; availability confirmation; pre-alert selected personnel; medical/insurance check	≤6 hours
Standby	Pre-Mission (M2 Standby)	Team composition; contract preparation; pre-deployment briefing; PPE issuance; travel coordination	≤24 hours
Dispatch	On-Mission (M3a Dispatch)	Contract issuance; deployment; HRIS tracking; field welfare; on-site HR support; daily monitoring	≤72 hours
Post-Mission	Mission-End	Demobilisation; exit interviews; psychological debrief; AAR; roster update; lessons learned; 30/90-day follow-up	≤2 weeks + follow-up

Note: This compendium exclusively uses the descriptive cycle terminology for operational clarity, consistent with UNDAC mission cycle conventions (UNDAC Handbook 8th Ed., Ch. C, pp. 66–76).

2.1 SHOC Staffing Structure

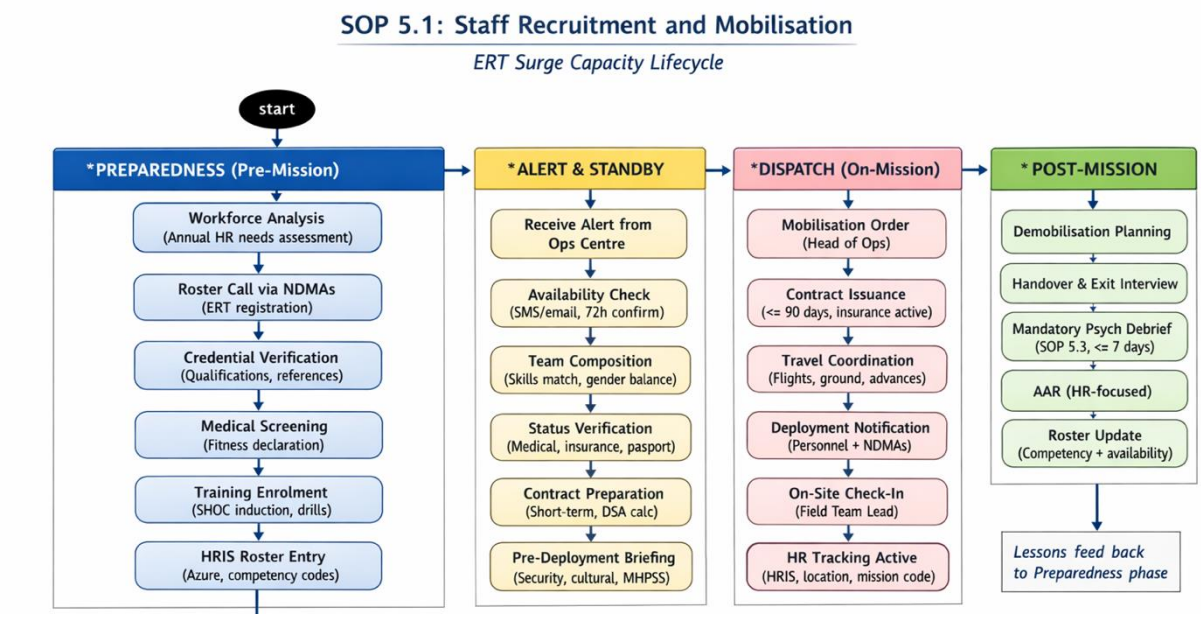
SHOC operates with 23 approved positions. BCM criticality codes B1–B8 designate continuity priority.

#	Position	Grade	BCM
1	Executive Director	D1	B8
2	Head of Programmes	P5	B8
3	Head of Operations	P5	B8
4–10	Programme/Operations Officers (7)	P3–P4	B7
11–12	Translators (2)	P2	B7
13–16	Early Warning Assistants (4)	G6	B2
17–20	Administrative Assistants (4)	G5–G6	B7
21	Secretary	G5	B8
22–23	Drivers (2)	G3	B5

3. SOP 5.1: Staff Recruitment and Mobilisation

ERT Surge Capacity Framework

3.1 Recruitment Lifecycle



3.2 Dual HR System

Element	Secretariat Staff	ERT Surge Personnel
Contract	Fixed-term (1–5 years) per SADC HR Manual	Short-term surge (≤90 days) or volunteer agreement
Selection	Full competitive process; panel interviews	Pre-qualified roster; rapid verification
Medical	Pre-employment examination	Annual medical fitness declaration
Insurance	SADC group scheme	Mission-specific per deployment
Authority	ED approval for reassignment	Head of Operations for Dispatch activation
Review	Annual appraisal per SADC system	Post-mission AAR; roster competency update

3.3 Step-by-Step Procedures

Phase 1: Preparedness

#	Step	Action	Output
1	Workforce Analysis	Annual HR needs assessment; identify skill gaps; project surge requirements	HR Plan
2	Roster Call	Issue ERT registration call via NDMAs and partner networks	Shortlists from NDMAs

#	Step	Action	Output
3	Credential Verification	Verify qualifications, certifications, language; conduct references	Verified profiles
4	Medical Screening	Require medical fitness declaration; review for field suitability	Medical clearance
5	Training Enrolment	SHOC induction; ERT simulation drills; sector training (per SOP 5.4)	Training records
6	HRIS Entry	Enter verified personnel into HRIS (Azure); assign competency codes	Active roster

Phase 2: Alert and Standby

#	Step	Action	Output
1	Activation Alert	Receive alert from Ops Centre; initiate HR activation sequence	HR alert issued
2	Availability Check	Contact roster via SMS/email; confirm 72-hour availability	Availability list
3	Team Composition	Match skills to mission; ensure gender balance; regional representation	Draft team list
4	Contract Prep	Prepare short-term contracts; calculate DSA	Draft contracts
5	Pre-Deploy Brief	Security, cultural, psychosocial briefing per SOPs 5.3, 7.2	Briefing record

Phase 3: Dispatch

#	Step	Action	Output
1	Mobilisation Order	Head of Ops issues formal mobilisation order	Signed order
2	Contract Issuance	Issue signed contracts (≤90 days); activate insurance	Signed contracts
3	Travel	Book flights; arrange ground transport; issue travel advances	Travel itinerary
4	HRIS Update	Log deployment; update location tracking; activate mission code	HRIS current
5	On-Site Check-in	Personnel check-in with Field Team Lead; confirm arrival	Arrival confirmed

Phase 4: Post-Mission

#	Step	Action	Output
1	Demob Planning	Create exit schedule; handover matrix; replacement plan	Demob plan

#	Step	Action	Output
2	Handover	Complete handover checklist; transfer responsibilities	Handover signed
3	Exit Interview	Conduct exit debrief; collect feedback; identify training needs	Exit record
4	Psych Debrief	Mandatory psychological debriefing per SOP 5.3 within 7 days	Debrief complete
5	AAR & Roster Update	HR-focused AAR; update competency profiles; refresh availability	Updated roster

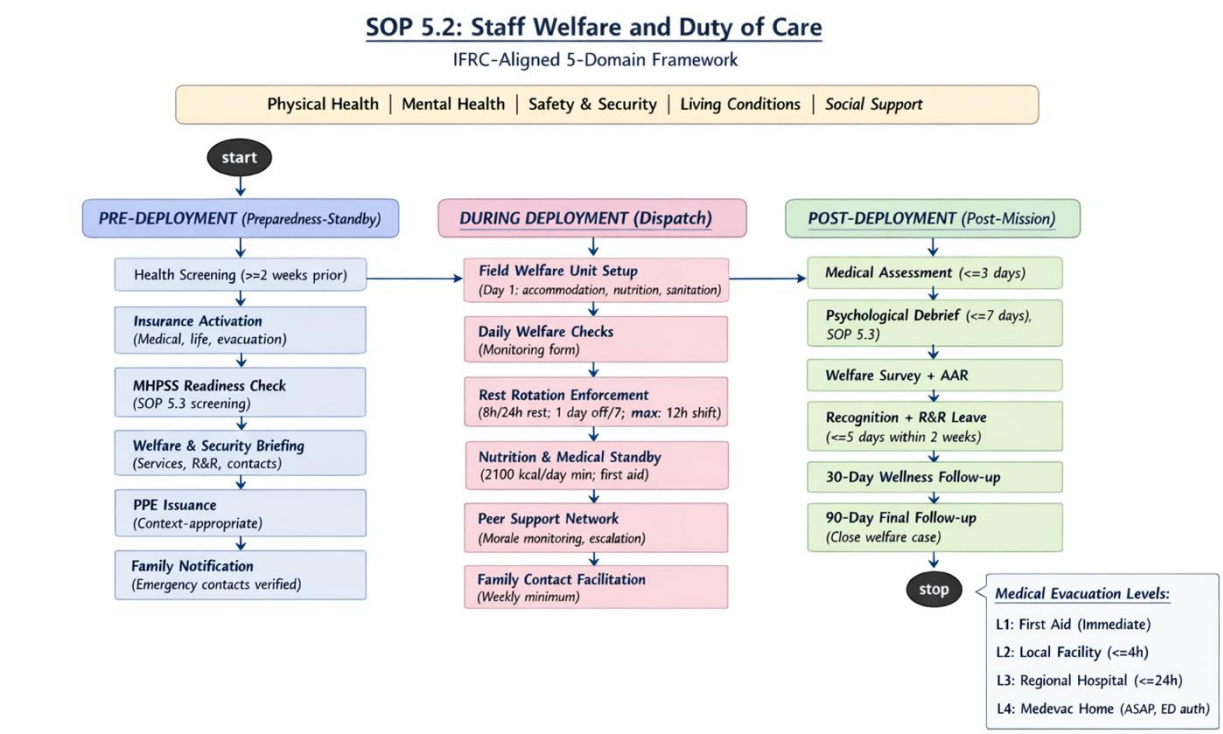
3.4 ERT Surge Roster

Minimum roster: 110 personnel — 20 Team Leaders, 40 Ops Officers, 30 Technical Specialists, 20 Support Staff. Eligibility: SADC citizen; 3+ years humanitarian experience; relevant qualification; fluent English or Portuguese; annual medical declaration; 72-hour deploy availability.

4. SOP 5.2: Staff Welfare and Duty of Care

Duty of Care Framework for Emergency Response Operations

4.1 Welfare Lifecycle



4.2 Five Duty of Care Domains

Domain	Components	Reference
Physical Health	Medical screening; vaccination; first aid; medevac; occupational health	WHO Staff Health; SOP 5.2-E
Mental Health	MHPSS; stress management; peer support; PFA; debriefing	SOP Psychosocial support
Safety & Security	Risk assessment; PPE; security briefing; incident reporting; evacuation	SOPs Security access and Asset management
Living Conditions	Accommodation; nutrition (2,100 kcal/day min); sanitation; rest; comms	Sphere Standards
Social Support	Family communication; peer networks; recognition; team cohesion; reintegration	IFRC Duty of Care

4.3 Step-by-Step Procedures

Pre-Deployment Welfare

#	Step	Timeline
1	Verify medical fitness declaration current; identify restrictions	≥2 weeks prior
2	Activate medical, life, and evacuation insurance; confirm coverage	≥1 week prior
3	Pre-deployment MHPSS stress screening (SOP 5.3)	≥1 week prior
4	Welfare briefing: services, R&R, medical support, emergency contacts	≥3 days prior
5	Issue PPE appropriate to deployment context	≥3 days prior
6	Security briefing per SOP 7.2; family notification	≥1 day prior

During Deployment

#	Step	Frequency
1	Establish welfare unit; verify accommodation, nutrition, sanitation	Day 1
2	Complete daily welfare monitoring form; identify issues early	Daily
3	Enforce rest cycles: min 8h continuous/24h; 1 day off/7 days; max 12h shift	Daily
4	Maintain medical capability; daily health checks; first aid availability	Continuous
5	Activate peer support network; monitor team morale; escalate concerns	Ongoing
6	Facilitate weekly family communication; provide connectivity	Weekly min

Post-Deployment

#	Step	Timeline
1	Post-deployment medical assessment	≤3 days
2	Mandatory psychological debriefing per SOP 5.3	≤7 days
3	Complete welfare survey; participate in AAR	≤2 weeks
4	Issue recognition; approve R&R leave (≥5 days within 2 weeks of return)	≤2 weeks
5	30-day wellness follow-up check; identify delayed stress reactions	30 days
6	90-day final follow-up; confirm full recovery; close welfare case	90 days

4.4 Medical Evacuation Levels

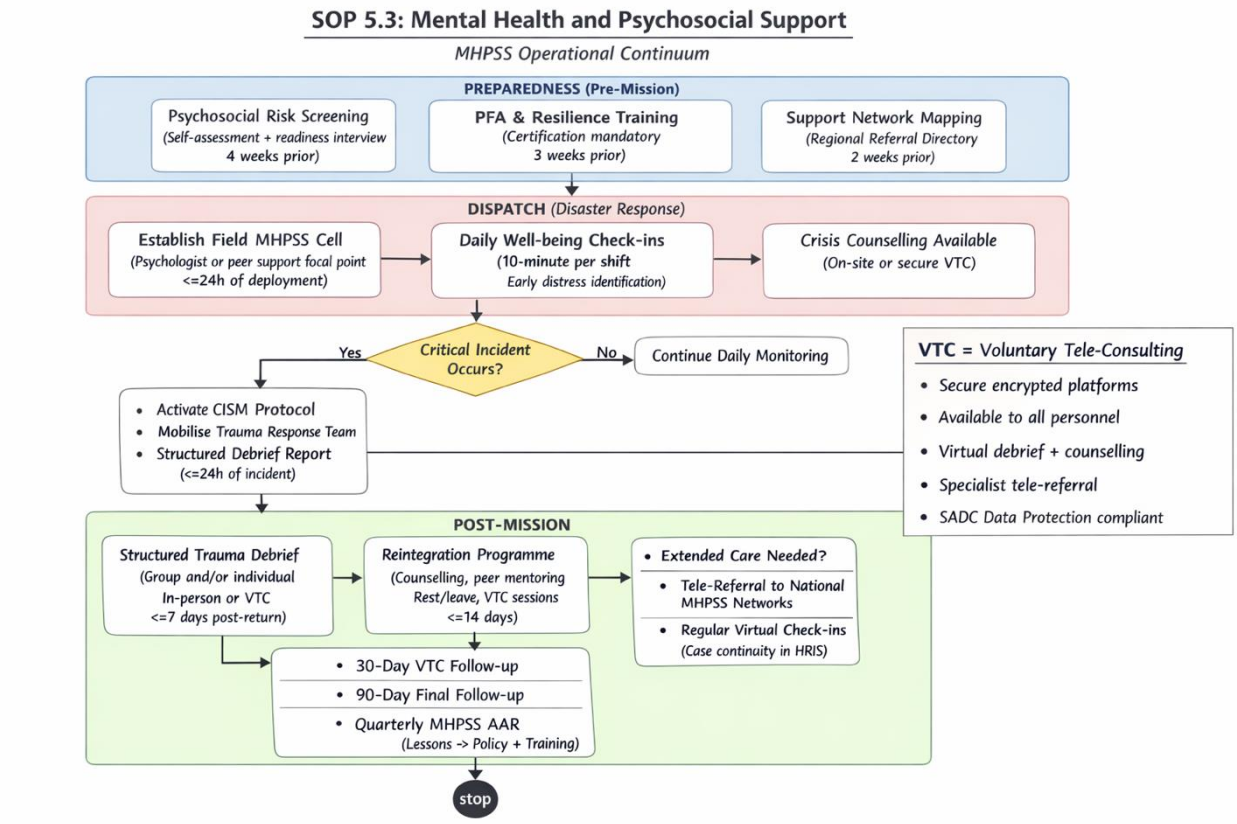
Level	Capability	Response	Authority
1	First aid; minor illness/injury; monitoring	Immediate	Medical Officer
2	Local medical facility; outpatient	≤4 hours	ERT Lead

Level	Capability	Response	Authority
3	Regional hospital; specialist inpatient	≤24 hours	Head of Operations
4	Medevac to home country/specialist centre	ASAP	Executive Director

5. SOP 5.3: Mental Health and Psychosocial Support

MHPSS Framework for Disaster Response Operations

5.1 MHPSS Continuum



5.2 Procedures by Phase

Preparedness Phase

#	Step	Action	Timeline	Responsible
1	Psychosocial Screening	Mental health self-assessment and readiness interviews; establish baseline profiles	4 weeks before	MHPSS Specialist
2	Training	PFA, stress management, coping mechanism training; mandatory certification	3 weeks before	HR Training Off

#	Step	Action	Timeline	Responsible
3	Network Mapping	Identify counsellors and facilities in host Member States; create Regional Referral Directory	2 weeks before	HR Liaison Off

Dispatch Phase (Disaster Response)

#	Step	Action	Timeline	Responsible
1	Field MHPSS Cell	Deploy psychologist or peer support focal point at field base	≤24h of deploy	ERT Lead
2	Daily Check-ins	10-minute emotional well-being briefings per shift; early distress identification	Daily	Team Leads
3	Crisis Counselling	On-site or secure tele-counselling for acute stress or trauma exposure	As needed	Psychologist
4	Critical Incidents	Activate CISM protocol; trauma response team; structured debrief within 24h	≤24h of incident	HR Director

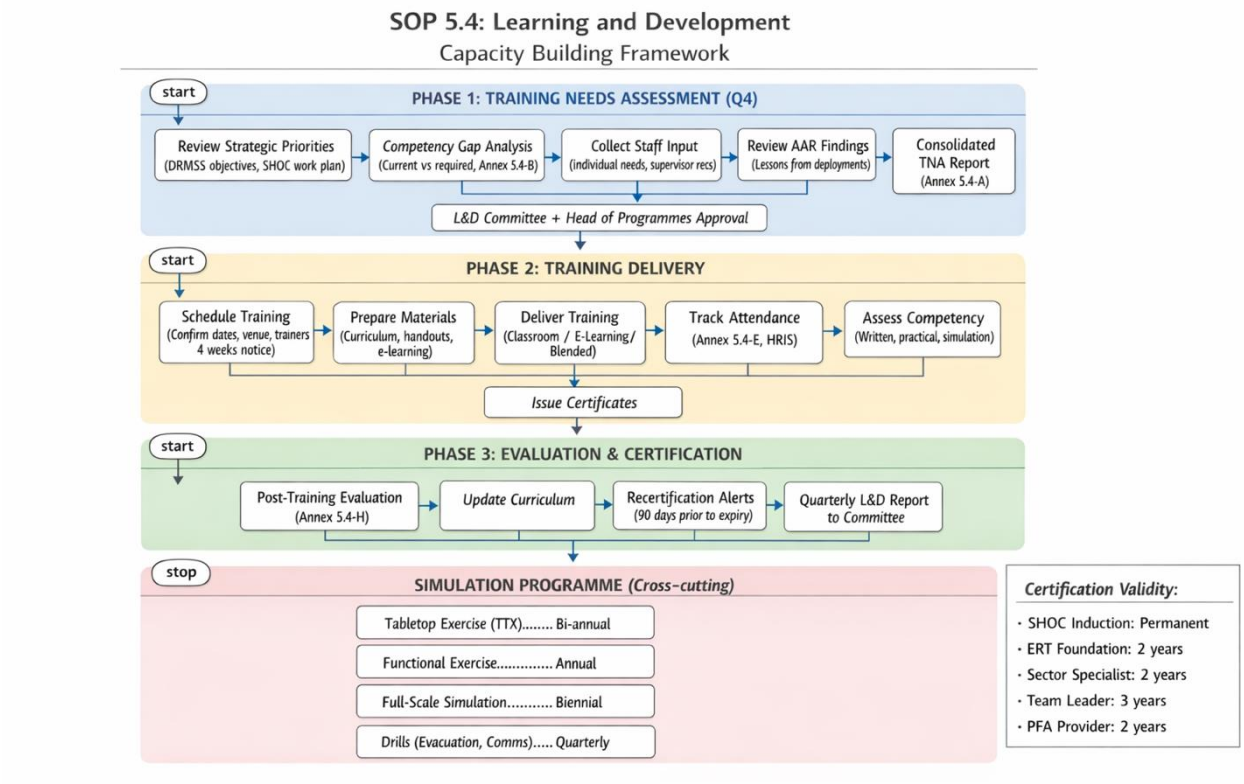
Post-Mission Phase

#	Step	Action	Timeline	Responsible
1	Trauma Debrief	Structured group/individual debriefings; in-person or Voluntary Tele-Consulting (VTC)	≤7 days	MHPSS Specialist
2	Reintegration	Counselling, peer mentoring, rest/leave; scheduled VTC sessions for remote personnel	≤14 days	HR Director
3	Referral & Monitoring	Tele-referral to national MHPSS networks; regular virtual check-ins; case continuity in HRIS	Continuous	HR Liaison Off
4	Lessons Learned	Collate insights from in-person and VTC sessions; quarterly MHPSS AAR report	Quarterly	MEL Officer

6. SOP 5.4: Learning and Development

Capacity Building Framework for Emergency Response Operations

6.1 L&D Cycle



6.2 ERT Competency Framework

Domain	Core Competencies	Level Required
Core Humanitarian	Humanitarian principles; Sphere; Protection; Do No Harm; AAP	All ERT
Emergency Operations	ICS/IMS; Assessment; Coordination; IM; Reporting	All ERT
Technical/Sector	WASH; Shelter; Health; Logistics; Protection; Food Security; Camp Mgmt	Specialists
Leadership	Team leadership; Communication; Stress management; Cultural awareness	Team Leads

6.3 Training Categories

Category	Duration	Frequency
SHOC Induction & Orientation	3 days	On joining
Core Humanitarian (Sphere, Protection)	5 days	Annual
Emergency Operations (ICS, Assessment, IM)	5 days	Annual

Category	Duration	Frequency
ERT Certification Course + Simulation	10 days	Biennial
Sector Technical (WASH, Shelter, Health, etc.)	5–10 days	As required
MHPSS (PFA, Peer Support, Self-Care)	3 days	Annual
Leadership & Crisis Communication	5 days	Selected staff
Safety & Security (First Aid, Fire, Driving)	2–3 days	Annual

6.4 Simulation & Exercise Programme

Type	Description	Frequency
Tabletop Exercise (TTX)	Discussion-based scenario; test decision-making	Bi-annual
Functional Exercise	Practice specific functions (comms, coordination)	Annual
Full-Scale Simulation	Comprehensive multi-agency field deployment	Biennial
Drill	Practice specific procedures (evacuation, comms, security)	Quarterly

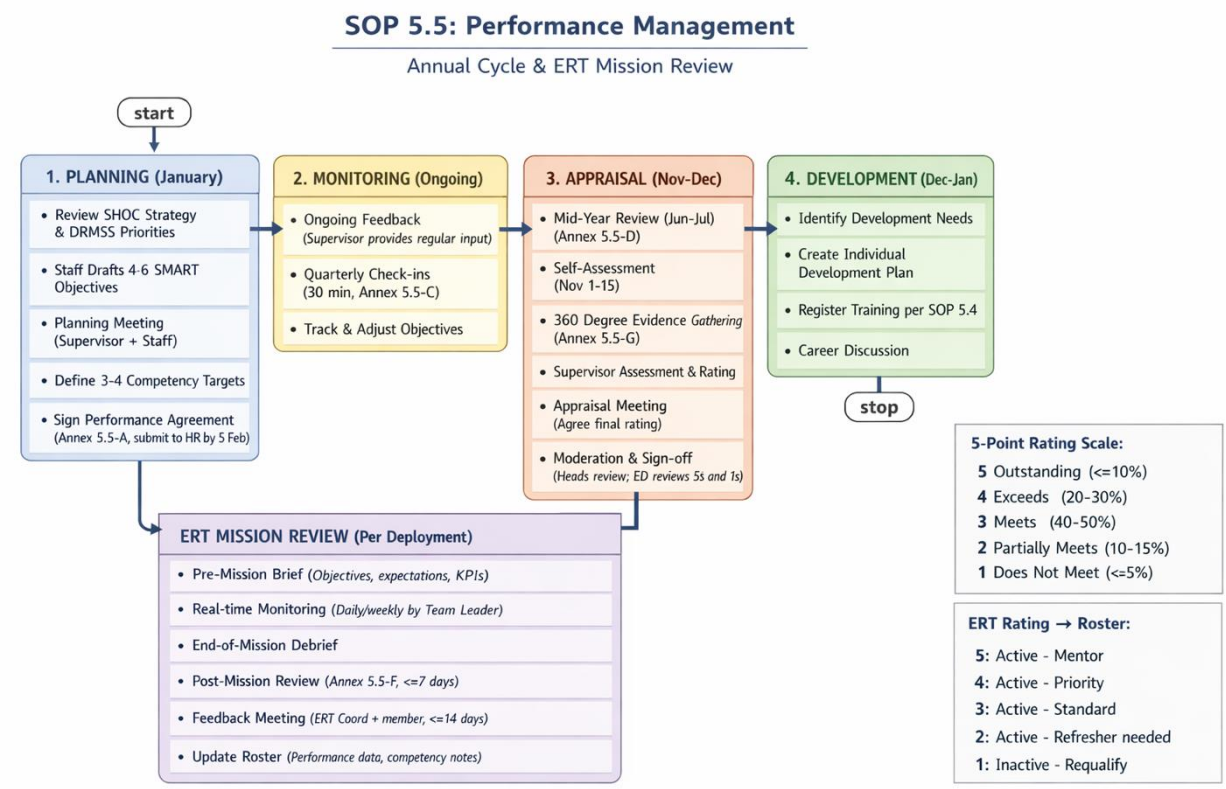
6.5 Certification

Certification	Validity	Recertification
SHOC Induction	Permanent	N/A
ERT Foundation	2 years	3-day refresher
Sector Specialist	2 years	2-day refresher
Team Leader	3 years	Leadership refresher
PFA Provider	2 years	1-day refresher

7. SOP 5.5: Performance Management

Staff Performance Planning, Monitoring, Appraisal and Development

7.1 Performance Cycle



7.2 Dual Performance System

Element	Secretariat Staff	ERT Surge Personnel
Cycle	Annual (Jan–Dec)	Per mission deployment
Planning	Annual Performance Agreement	Mission Terms of Reference
Monitoring	Quarterly check-ins; mid-year review	Daily/weekly during deployment
Appraisal	Annual performance appraisal	Post-Mission Performance Review
Appraiser	Direct supervisor	ERT Team Leader + Coordinator
Development Link	Individual Development Plan	Roster competency update
HR Consequence	Contract renewal; increment; promotion	Roster status; future deployment priority

7.3 Rating Scale (5-Point)

Rating	Level	Description	Target %
5	Outstanding	Exceptional; consistently exceeds all expectations; role model	≤10%
4	Exceeds	Surpasses requirements in most areas; high-quality results	20–30%
3	Meets	Fully meets requirements; competent; reliable	40–50%
2	Partially Meets	Some objectives not met; improvement needed	10–15%
1	Does Not Meet	Significant shortfall; formal PIP required	≤5%

7.4 ERT Cycle Performance Adaptation

During emergency activations, performance expectations adapt: routine objectives may be paused; emergency contributions are weighted separately; check-ins missed due to deployment are rescheduled within 2 weeks; and exceptional emergency performance is factored into annual ratings with recognition.

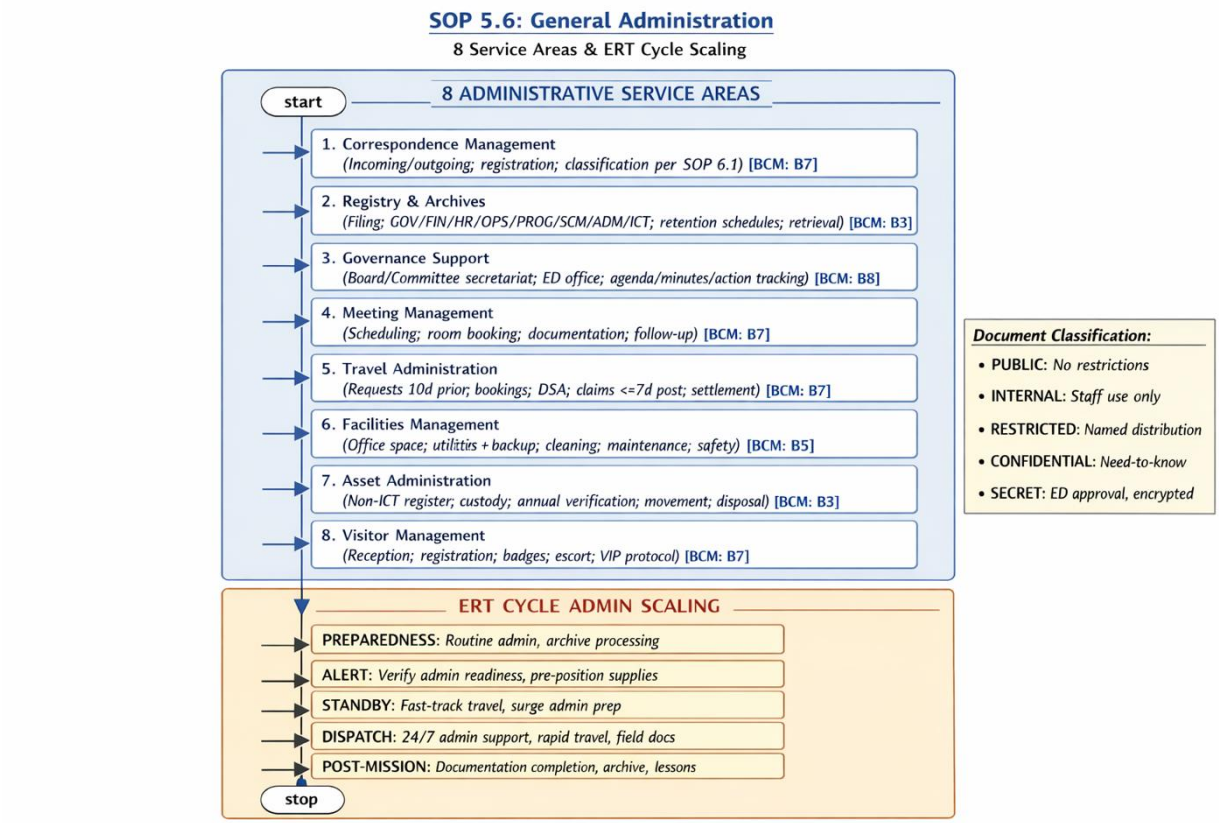
7.5 Performance Improvement Process

For ratings of 1 or 2: (1) Informal coaching → (2) Documented discussion (30 days) → (3) Formal PIP with SMART targets (60–90 days) → (4) Weekly monitoring → (5) PIP review. Outcomes: successful (close PIP), partial (extend 30 days), unsuccessful (refer to disciplinary process per SADC Staff Rules).

8. SOP 5.6: General Administration

Office Management, Correspondence, Registry, Governance Support and Administrative Services

8.1 Infographic: Admin Service Areas



8.2 Eight Administrative Service Areas

Area	Key Services	BCM
1. Correspondence	Incoming/outgoing mail; official letters; email management; registration; classification	B7
2. Registry & Archives	Filing systems (GOV/FIN/HR/OPS/PROG/SCM/ADM/ICT); retention; archive storage; retrieval	B3
3. Governance Support	Board/Committee secretariat; ED office; protocol; agenda/minutes/action tracking	B8
4. Meeting Management	Scheduling; room booking; documentation; minutes; action follow-up	B7
5. Travel Admin	Travel requests (10 days prior); bookings; DSA advances; claims (≤7 days post); settlement	B7
6. Facilities	Office space; utilities (with backup power); cleaning; maintenance; safety; conference rooms	B5
7. Asset Admin	Non-ICT asset register; custody assignment; annual verification; movement tracking; disposal	B3

Area	Key Services	BCM
8. Visitor Mgmt.	Reception; visitor registration; badge issuance; escort policy; VIP protocol	B7

8.3 Document Classification (per SOP 6.1)

Classification	Description	Handling
PUBLIC	Information for general release	No restrictions
INTERNAL	SHOC staff use; general operations	Do not share externally without approval
RESTRICTED	Limited distribution; operational sensitivity	Named distribution; secure storage
CONFIDENTIAL	Sensitive; limited access	Locked storage; need-to-know
SECRET	Highly sensitive; serious impact if disclosed	ED approval; encrypted

8.4 ERT Cycle Administrative Scaling

During Preparedness: routine admin and archive processing. Alert: verify admin readiness and pre-position supplies. Standby: fast-track travel processing and surge admin preparation. Dispatch: 24/7 admin support with rapid travel and field documentation. Post-Mission: documentation completion, archive capture, and lessons learned support.

Consolidated Risk Register (BGYOR)

Risk ratings follow the BGYOR colour index: Blue (1) Very Low, Green (2) Low, Yellow (3) Medium, Orange (4) High, Red (5) Critical.

Risk	SOP	Phase	Inherent	Residual	Key Mitigation
Delayed recruitment/bureaucracy	5.1	Preparedness	Red 5	Orange 3	Pre-approved roster; delegated authority
Insufficient qualified ERT	5.1	Dispatch	Orange 4	Yellow 2	Annual drills; regional training pool
Staff fatigue/burnout	5.2	Dispatch	Red 5	Yellow 2	Enforced rest; rotation; MHPSS
Psychological stress/trauma	5.2/5.3	Dispatch/Post	Red 5	Yellow 2	MHPSS per SOP 5.3; peer support
Insufficient MHPSS capacity	5.3	Dispatch	Red 5	Yellow 3	Regional MHPSS pool; partnerships
MHPSS stigma/under-reporting	5.3	All	Orange 4	Green 2	Confidential channels; anonymous access
Insufficient training budget	5.4	Preparedness	Orange 4	Yellow 2	Leverage free platforms; partnerships
Skills gap at deployment	5.4	Dispatch	Red 5	Green 2	Mandatory ERT certification; simulation
Biased/unfair appraisals	5.5	Appraisal	Orange 4	Green 2	Moderation; clear criteria; appeals
Loss of critical documents	5.6	All	Red 5	Green 1	Backup; cloud storage; vital records
Data loss in HRIS	All	All	Orange 4	Blue 1	Azure redundancy; backup protocols
Contract non-compliance	5.1	All	Orange 4	Green 1	Dual review; SADC HR audit

Monitoring, Evaluation and Learning

SOP	Indicator	Target	Frequency
5.1	Deployment within 72h of Dispatch activation	100%	Per mission
5.1	Gender balance in deployments	≥45% female	Quarterly
5.1	Roster size maintained	≥110 personnel	Quarterly
5.2	Pre-deployment briefing completed	100%	Per deployment
5.2	Insurance active before deployment	100%	Per deployment

SOP	Indicator	Target	Frequency
5.2	Rest standards met	≥90%	Per mission
5.2	30-day follow-up completed	100%	Per deployment
5.3	Post-mission debrief within 7 days	100%	Per mission
5.3	MHPSS coverage rate	Quarterly report	Quarterly
5.4	Staff with current mandatory training	100%	Quarterly
5.4	ERT members with valid certification	100%	Quarterly
5.4	Simulation exercises conducted	≥4/year	Annual
5.5	Performance agreements signed by 31 Jan	100%	Annual
5.5	ERT post-mission reviews within 14 days	100%	Per mission
5.6	Correspondence processed within SLA	≥95%	Monthly
5.6	Asset verification completed annually	100%	Annual

Business Continuity (B1–B8)

BCM Code	Element	HR Application
B1	Critical Functions	Surge roster; field welfare; training coordinator; correspondence designated critical
B2	MBCO	HRIS accessible; 30 roster personnel available; contract templates ready; min welfare capability
B3	RTO	HR/welfare/admin functions restored within 4 hours of disruption
B5	Facilities	Alternative workspace at Botswana OSOCC; remote work capability
B7	Cross-Organisational	NDMA HR liaison; SADC HR Division; partner surge agreements; admin backup
B8	Staff Continuity	ED succession to Head Ops; HR Officer ↔ Secretary backup; ERT Coord deputies; cross-training

Abbreviations and Glossary

Term	Definition
AAP	Accountability to Affected Populations
AAR	After-Action Review
AUC	African Union Commission
AV	Audio-Visual equipment
BCM	Business Continuity Management
BGYOR	Blue-Green-Yellow-Orange-Red Risk Matrix
CISM	Critical Incident Stress Management
DSA	Daily Subsistence Allowance
DREA	Department of Rural Economy and Agriculture (AUC)
DRMSS	Disaster Risk Management Strategy and Support System
ERAT	Emergency Response Assessment Team (ASEAN)
ERT	Emergency Response Team
HRIS	Human Resource Information System (Azure Cloud)
ICP	International Cooperating Partner
ICS/IMS	Incident Command / Incident Management System
IDP	Individual Development Plan

Term	Definition
IFRC	International Federation of Red Cross and Red Crescent Societies
JIT	Just-In-Time Training
KPI	Key Performance Indicator
L&D	Learning and Development
LMS	Learning Management System
Medevac	Medical Evacuation
MEL	Monitoring, Evaluation and Learning
MHPSS	Mental Health and Psychosocial Support
MOA	Memorandum of Agreement
NDMA	National Disaster Management Authority
PA	Performance Agreement
PFA	Psychological First Aid
PIP	Performance Improvement Plan
PM	Performance Management
PPE	Personal Protective Equipment
R&R	Rest and Recuperation
SHOC	SADC Humanitarian and Emergency Operations Centre
SLA	Service Level Agreement
SMART	Specific, Measurable, Achievable, Relevant, Time-bound
SME	Subject Matter Expert
TNA	Training Needs Assessment
ToT	Training of Trainers
TTX	Tabletop Exercise
UCPM	Union Civil Protection Mechanism (EU)
UNDAC	United Nations Disaster Assessment and Coordination
VIP	Very Important Person
VOSOCC	Virtual On-Site Operations Coordination Centre
VTC	Voluntary Tele-Consulting

14. Annex Register

The following annexes are maintained as separate operational documents and should be read in conjunction with this compendium.

Annex	Title
5.1-A	ERT Surge Roster Registration Form
5.1-B	Recruitment Activation Flowchart
5.1-C	Short-Term Contract Template
5.1-D	Medical Fitness Declaration
5.1-E	Deployment Notification Form
5.1-F	Demobilisation and Handover Checklist
5.1-G	After-Action Review (HR) Template
5.1-H	HRIS Data Entry Standards
5.2-A	Welfare Support Flowchart
5.2-B	Pre-Deployment Welfare Checklist
5.2-C	Field Welfare Protocols
5.2-D	MHPSS Quick Reference (SOP 5.3 Extract)
5.2-E	Medical Support and Evacuation Procedures
5.2-F	Daily Welfare Monitoring Form
5.2-G	Staff Recognition Certificate Template
5.2-H	Post-Deployment Welfare Survey
5.2-I	Welfare Contact Directory
5.3-A	Field MHPSS Flowchart
5.3-B	Pre-Deployment Stress Screening Template
5.3-C	Critical Incident Response Protocol
5.3-D	Reintegration and Counselling Checklist
5.3-E	MHPSS After-Action Review Template
5.4-A	Annual Training Needs Assessment Template
5.4-B	ERT Competency Framework Matrix
5.4-C	Annual Training Calendar Template
5.4-D	SHOC Course Catalogue
5.4-E	Training Attendance Record
5.4-F	Certification Tracking Matrix

Annex	Title
5.4-G	Simulation Exercise Protocol
5.4-H	Post-Training Evaluation Form
5.4-I	Individual Development Plan Template
5.5-A	Annual Performance Agreement Template
5.5-B	Performance Standards by Position
5.5-C	Quarterly Check-In Form
5.5-D	Mid-Year Review Form
5.5-E	Annual Performance Appraisal Form
5.5-F	ERT Post-Mission Performance Review
5.5-G	360-Degree Feedback Form
5.5-H	Performance Improvement Plan (PIP)
5.5-I	Recognition and Commendation Form
5.6-A	Correspondence Register Template
5.6-B	Document Classification Guide
5.6-C	Meeting Request and Agenda Template
5.6-D	Travel Request and Authorisation Form
5.6-E	Visitor Registration Form
5.6-F	Asset Custody Handover Form
5.6-G	Facilities Maintenance Request
5.6-H	Filing and Archive Protocol
5.6-I	Admin Services Checklist (ERT Cycle)
5.6-J	Governance Calendar Template
